Dr. Gerald Adachi provides customized dental treatment plans that optimize our patients' oral health, enhance the esthetics of a healthy smile, and provide correct function of the teeth and jaws.

Dr. Adachi has been actively selecting and planning continuing education courses in Hawaii for over 25 years. His commitment has allowed him to provide the finest dental care for our patients, and to improve care in Hawaii. For his efforts, he has received Fellowship in the International College of Dentists and the Academy of Dentistry International honor societies.

A comprehensive, gentle approach helps you achieve oral health care goals in a warm, caring environment. Patients benefit from our in-office dental lab that ensures your custom crowns, bridges, veneers, and implant restorations will exceed your expectations. Dental services also include teeth whitening, tooth-colored restorations, root canals, TMJ/TMD therapy, and occlusal appliances.
